Before any action will be taken by the Board of Directors, this membership application must be completed in full. A photo must be submitted with the application, and both will be posted on the bulletin board inside the clubhouse prior to the next Board Meeting when all new applications will be considered.

Full initiation fees must be submitted with the application and will be held in The Ponderosa Country Club account until membership is board approved. If membership is denied, the initiation fee will be refunded. If the applicant fails to accept the offer of membership, the initiation fee will **not** be refunded.
